

**WIIT S.P.A. INTERNAL DEALING POLICY**

**WIIT**

**THE PREMIUM CLOUD**

## 1. Introduction

- 1.1 This policy (the "**Policy**") concerns the reporting obligations and limitations relating to transactions involving financial instruments issued by WIIT S.p.A. (the "**Company**" or the "**Issuer**") and other related financial instruments undertaken by the Internal Dealing Parties (as defined hereunder) in accordance with the regulatory provisions laid down in Article 19 of Regulation (EC) No. 596/2014 ("**EU Regulation 596/2014**" or the "**MAR**") and the related European implementing provisions.
- 1.2 The purpose of the Policy is to (i) identify Internal Dealing Parties (as defined below), who are obliged to make the disclosures required by the applicable internal dealing regulations, (ii) inform Internal Dealing Parties of the identification, related obligations, and the manner of making the disclosures required by legislative and regulatory provisions, and (iii) identify the person in charge of receiving, handling, and circulating the above disclosures to the market.
- 1.3 This Policy must be applied in accordance with all European and Italian laws and regulations applicable from time to time, as well as in compliance with the guidelines issued by ESMA (the European Securities and Markets Authority) and Consob, each within its purview.
- 1.4 The Company's Chief Executive Officers have been authorized to amend this Policy as necessary to comply with laws or regulations.
- 1.5 The Covered Persons (as defined hereunder) are required to comply with the Policy and ensure that the Persons Connected to the Covered Persons (as defined hereunder) are aware thereof and comply therewith. Compliance with the rules laid down in this Policy does not release the Internal Dealing Parties (as defined hereunder) from the obligation of complying with the other relevant European and Italian laws and regulations in effect from time to time. Accordingly, knowledge of the contents of this Policy may not be deemed a substitute for a thorough understanding of the applicable legislation, reference to which remains essential.
- 1.6 For that not explicitly established in this Policy, reference is expressly made to the communication provisions concerning inside information, price sensitive information and other corporate information required by the Regulations for Markets organised and managed by Borsa Italiana S.p.A. and the related Instructions (the "**Stock Exchange Regulations**" and the "**Instructions**", respectively), as well as by applicable laws and regulations.
- 1.7 The Policy was approved by the Board of Directors of the Company on March 18, 2019 and last updated on November 13, 2025.

## 6. Internal Dealing Parties Disclosure Obligations

- 6.1 In the manner and according to the timescales set out in paragraphs 6.5 and 6.6, the Internal Dealing Parties inform the Company and Consob of all transactions ("**Relevant Transactions**") executed on their behalf involving:
- (a) the Company's shares or debt instruments;
  - (b) derivative instruments;
  - (c) financial instruments associated with them, as identified in Article 3(2)(b) of the MAR,  
(jointly the "Financial Instruments").
- 6.2 All subsequent transactions, once an amount of Euro 20,000 is reached (or a differing amount identified by the competent authority pursuant to Article 19(2) of the MAR) involving Financial Instruments and entered into by the Internal Dealing Parties (the "**Relevant Transactions**"), are considered Relevant Transactions.
- 6.3 Relevant Transactions include, for example:
- (a) the acquisition, disposal, short sale, subscription or exchange;
  - (b) the acceptance or the exercise of option rights, including an option right granted to Covered Persons or to employees as part of their remuneration, and the disposal of shares arising from the exercise of an option right;
  - (c) the subscription to exchange contracts related to stock indices or the exercise of such contracts;

  - (h) transactions in derivative instruments and financial instruments related to a credit security of the company, including credit default swaps;
  - (i) conditional transactions subject to conditions and the actual execution of the transactions;
  - (j) the automatic or non-automatic conversion of a financial instrument into another financial instrument, including the exchange of bonds convertible into shares;
  - (k) gifts and donations made or received and inheritance received;
  - (l) transactions made in products, baskets and index-based derivative instruments, if so required by Article 19 of Regulation EC 596/2014;

- (m) transactions executed in shares or units of investment funds, including alternative investment funds (AIFs) as per Article 1 of Directive 2011/61/EC of the European Parliament and Council, if provided for by Article 19 of Regulation EC No. 596/2014;
- (n) transactions executed by the manager of an AIF in which a Covered Person has invested, if provided for by Article 19 of Regulation EC No. 596/2014;
- (o) transactions executed by third parties as part of an asset management mandate or of an individual portfolio on behalf of or for the benefit of an Internal Dealing Party;
- (p) borrowing or lending of the Issuer shares or debt securities or derivatives or other related financial instruments.

The Relevant Transactions also include:

- (a) assignment for collateral or lending of financial instruments by or on behalf of an Internal Dealing Party. For this purpose it is not necessary to notify a pledging of financial instruments, or similar collateral, in connection with the deposit of financial instruments in a custodial account, unless and until such time such pledging, or other similar collateral, is intended to obtain a specific credit facility.
- (b) transactions carried out by those who undertake or carry out transactions on a professional basis, or by anyone on behalf of an Internal Dealing Party, even when discretion is exercised; The transactions carried out on the company's shares, debt instruments, derivative products or other financial instruments linked to them by managers of a mutual investment fund in which the Internal Dealing Party has invested, are not subject to the duty of notification if the manager of the mutual investment fund exercises total discretion which excludes the possibility of directly or indirectly receiving instructions or suggestions of any type on the portfolio's composition from the investors of this mutual investment fund;
- (c) transactions carried out under a life insurance policy, defined in accordance with Directive 2009/138/EC of the European Parliament and the Council, in which: (i) the policyholder is an Internal Dealing Party; (ii) the investment risk is to be borne by the policyholder; and (iii) the policyholder has the right or the discretion to make investment decisions in relation to specific instruments covered by the life insurance in question, or to undertake transactions concerning specific instruments of such life insurance. There is no notification obligation insofar as the policyholder of an insurance contract is bound to notify transactions to the insurance company in accordance with this Policy.

6.4 For the purpose of calculating the total amount referred to in paragraph 6.1:

- (a) the value of transactions is to be calculated in absolute terms, summing (without offsetting) the transactions with positive value to those with negative value, regardless of the type of Financial Instrument involved in the transactions undertaken, individually, by each Covered Person over the calendar year, it being understood that if the above limit of Euro 20,000 is exceeded, or the different limit identified by the competent authority

pursuant to Article 19(2) MAR, the Internal Dealing Party must report the transactions already undertaken and all transactions undertaken after the limit is exceeded;

- (b) the value of transactions involving the derivative financial instruments referred to in Article 1, paragraph 3, of the TUF, is calculated with reference to the so-called "notional value", calculated as the product of the number of shares controlled by the instrument and the official price of the underlying asset at the date of the transaction;
  - (c) the value of transactions is calculated by summing the transactions made on behalf of each Covered Person or, where applicable, each Connected Person.
- 6.5 The Internal Dealing Parties report the Relevant Transactions (the "**MAR Communications**") to the Company – solely by e-mail sent to the Appointed Officer at the address [ir@wiit.cloud](mailto:ir@wiit.cloud) – within no more than three (3) Working Days from the Execution Date of the Relevant Transaction. The MAR Communications must be prepared using the form reproduced in Annex C. The Company may also permit Covered Persons to submit Communications on behalf of Persons Connected to the Covered Persons.
- 6.6 The Internal Dealing Parties submit the MAR Communications to Consob no more than three (3) Working Days after the Execution Date of the Relevant Transaction by certified email to [consob@pec.consob.it](mailto:consob@pec.consob.it) (if the sender is subject to the obligation of having certified email) or by ordinary email to [protocollo@consob.it](mailto:protocollo@consob.it), specifying the "Ufficio Informazione Mercati" ("Markets Information Office") as the recipient and indicating "MAR Internal Dealing" the subject line;
- 6.7 After receiving the MAR Communications, the Appointed Officer prepares the public disclosure set out in paragraph 6.8 below. The text of the said disclosure must be submitted to the Company's Chief Executive Officers or Chairperson of the Board of Directors for final approval prior to submission via the RIS.
- 6.8 Through a notice via the SDIR, the Company relays the information contained in the MAR Communications and makes them available to the public promptly on its website within 2 Working Days from receipt of the MAR Communications in accordance with paragraph 6.5 above.
- 6.9 The obligations to disclose Relevant Transactions provided for in this Policy do not apply to transactions involving financial instruments related to shares or debt instruments of the Company where, at the time of the transaction, one of the following conditions is met:
- (a) the financial instrument is a unit or a share of a mutual investment fund in which the shares or the debt instruments of the Company do not exceed 20% of the assets held by the mutual investment fund;
  - (b) the financial instrument presents an exposure to a portfolio of assets in which the exposure to the shares or the debt instruments of the Company does not exceed 20% of the portfolio assets; or
  - (c) the financial instrument is a unit or share of a mutual investment fund or presents an exposure to a portfolio of assets and the Internal Dealing Party does not know, nor could know, the composition of the investments or the exposure of this mutual investment fund or portfolio of assets in relation to the

shares or the debt instruments of the Company, and in addition this person has not been induced to consider that the shares or the debt instruments of the Company exceed the thresholds established at letters a) or b).

Where information is available concerning the composition of the investments of the mutual investment fund or the exposure to the portfolio of assets, the Internal Dealing Party makes all reasonable efforts to avail of this information.

## **7. Restrictions on the execution of transactions undertaken by Covered Persons ("black-out periods")**

- 7.1 Covered Persons may not, directly or through nominees, undertake Relevant Transactions, whether on their own account or on account of third parties, during the 30 calendar days prior to the approval by the Board of Directors of an interim and year-end financial report that the Company is required to publish in accordance with (a) the EXM rules, or (b) Italian law.
- 7.2 The Company may direct that such restriction will not apply – in view of the trading characteristics identified by Article 9 of Commission Delegated Regulation (EU) 2016/522 – to the exercise of any stock options or options relating to the Financial instruments and, as limited to shares arising from stock-option plans, the ensuing sale transactions, provided that they are undertaken concurrently with exercise.
- 7.3 The limitations also do not apply in cases of exceptional need, such as severe financial difficulties that necessitate the immediate sale of Shares, where adequate justification is provided in a written request from the person concerned for the Company.
- 7.4 The Company's Board of Directors reserves the right to introduce additional limitations on all or only some Covered Persons, for the time deemed necessary, with regard to the undertaking of all or only some Relevant Transactions. In such cases, the Appointed Officer will be responsible for informing the Covered Persons of the start and end date of the period in which the Covered Persons are barred from undertaking the aforesaid Relevant Transactions.

## **8. Processing of personal data**

- 8.1 For the purposes of this Policy, the Company may be required to handle the personal data of the Covered Persons. Accordingly, the Internal Dealing Parties are hereby informed, pursuant to Regulation (EC) No. 679/2016 ("**GDPR**") and Legislative Decree No. 196/2003, as amended, of the following:

  - (d) the personal data will be retained and processed for the time required to achieve the stated aims and for the time established by applicable provisions of civil and tax law.

- (e) Articles 15 and subs. of the GDPR grant rights to the Internal Dealing Parties (including, but not limited to, the right to access to their personal data, to request that they be rectified, updated and deleted, where incomplete, incorrect or collected in breach of the law, and to object to their processing for legitimate reasons), which may be exercised by contacting the responsible officer indicated below;

## **9. Amendments and publication of the Policy**

- 9.1 The provisions of the Policy will be updated and/or supplemented under the charge and responsibility of the Board of Directors of the Company, subject to the provisions of law and applicable regulations, and also to the applied experience and practices of the market that may mature in this area. The power is hereby granted to the Chief Executive Officers to make formal and non-substantive amendments to this Policy.
- 9.2 The amendments and/or supplements to the provisions will be communicated to the Covered Persons with an indication of the date of entry into force of the new or amended provisions. The Covered Persons will be responsible for reporting changes and/or additions to the relative Persons Connected to the Covered Persons.
- 9.3 The Policy is published on the Company's website.

## **10. Violations and responsibilities**

- 10.1 The failure of Covered Persons to comply with the provisions of this Policy may result in the violation of the obligations imposed on the Company as an issuer of shares admitted to trading on the EXM and, in particular, in the application against the Company of a possible range of sanctions (such as financial penalties, revocation of the admission of shares on the EXM and publication of the application of financial penalties).
- 10.2 Abuse of Inside Information and market manipulation are criminal offences and may result in the administrative liability of the Company pursuant to the CFA and Legislative Decree No. 231/2001.
- 10.3 Where, due to the failure by the Covered Persons to comply with the provisions of this Policy, the Company is alleged to have violated the Stock Market Regulation and/or Instructions, or any other provision of law or regulations (each a "**Violation**"), the Company itself reserves the right to take action against the responsible Covered Persons in order to be held harmless and indemnified, to the maximum extent permitted by law, from any and all costs, expenses, charges or

liabilities arising out of or related to such Violations, and in order to be compensated for any and all excess damage.

10.4 The competent body to adopt the correct provisions for breach of the Policy is the Company Board of Directors.
